

Intro to WEX Week 2025

UCAS and Higher Education

Careers & Employability

1A WEX Week

- 1A Work Experience (WEX) Week takes place 2nd – 6th June 2025.
- You will use the Unifrog Placements tool for everything related to your 1A WEX Week plans.
- Plan now - think about where you'd like to do WEX which links to your career aims, and who can help you find a placement (friends, family, local & national employers). The earlier you start looking, the more chance you'll have of securing your ideal WEX opportunity.

Deadline 24th March 2025

Why WEX Week?

- WEX Week is compulsory for all 1A students
- It forms part of the conditions for progression into your 2nd year of studies at Collyer's (along with passing your transfer exams)
- Work experience is beneficial for all students, regardless of your progression pathway (university, apprenticeship or employment)
- Future employers (including those down the line) will want to hear about how you have added 'value' to your employability skills, what experiences you have had, and how these relate to your career aims.

Benefits of WEX

- **Discover the career that's right for you:** Get valuable insights into what it's like to work in industries that you're considering a career in, so that you can decide which is the best for you.
- **Real work with real teams:** Work on projects and assignments to show future employers what you have done and can do.
- **Demonstrate your interest:** You will be able to prove that you've given your options some thought and that you're passionate about your chosen career path.
- **Universities want to hear about relevant WEX in your personal statements!**

Benefits of WEX

- **Make contact with professionals:** Meet professionals within your chosen field and learn from them.
- **Build your career profile and stand out from the competition:** You can reference work experience on your CV and UCAS Personal Statement to look attractive to employers and universities.
- **Gain advantage at interview:** Work experience makes you more successful in applications and interviews. Employers use competency-based questions at interview, which take the form of “Tell me about a situation when you have demonstrated X skill.”

Work Experience is not.....

- ✘ **Your part time job** – WEX must be an opportunity to gain new experiences not provided by your current part time job. Universities and employers want to see **aspirational WEX** on applications, so branch out and try something different and challenging.
- ✘ **Paid work** – you cannot be paid for taking part in WEX.
- ✘ **An opportunity to take ‘time out’** – WEX Week is not the chance for you to take a week off college. It is an essential part of your 1A programme of study, along with your curriculum subjects, pro-study and enrichment.
- ✘ **Optional** – students can’t opt out of WEX Week.

Student initial form

You're adding a Student initial form for a placement

Fill in the information below carefully. When you're done tick 'finished' at the bottom of the form.
Afterwards we'll ask the placement lead at the employer to fill in the next form.

* In person or Virtual

Placements tool or Activities tool? The Placements tool is for administering 'real' work experience, where - whether it's in person or virtual - you have **direct, personal interaction** with the employer. If you're instead looking to record doing a webinar, presentation or online course which has a work theme, use the [Activities tool instead](#) >

Virtual or In person? If the experience you are adding involves **any** in person time with the employer, add it as 'in person' and not 'virtual'.

* Placement coordinator

This is the **school / college** staff member who will be coordinating the placement from your school's / college's side.

* Name of placement business / organisation

* Placement start date

Placement end date

* Describe the time commitment

* Employer placement lead: name

* Employer placement lead: email

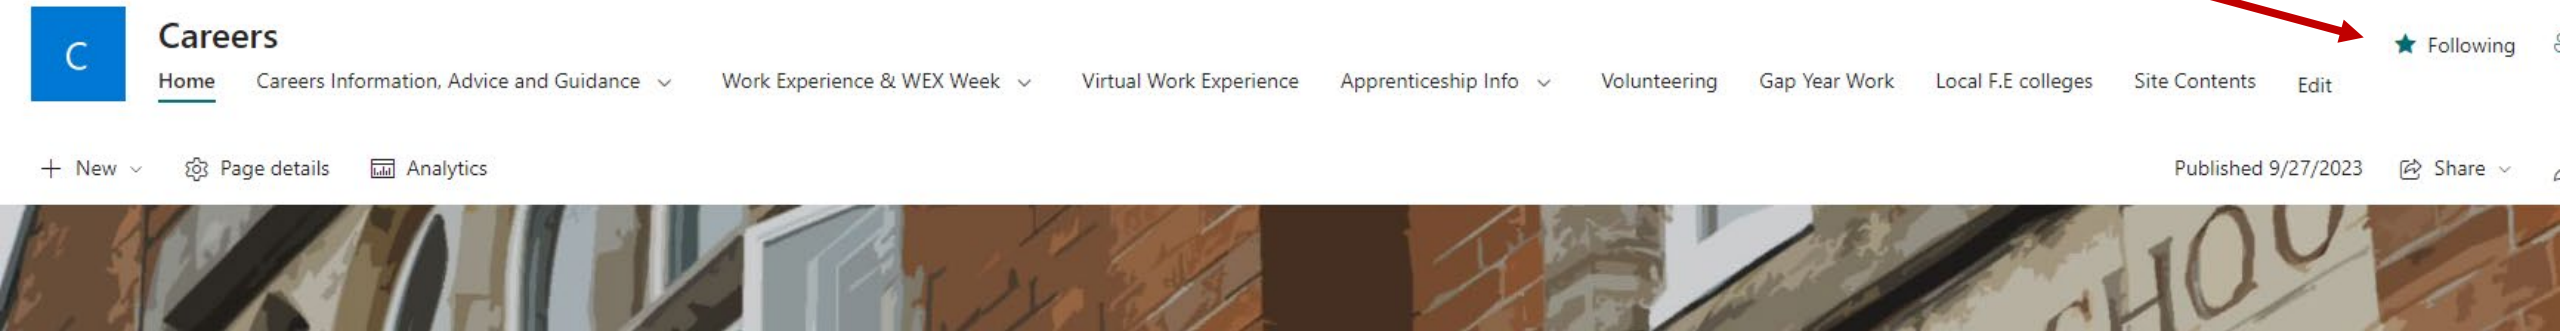

Important: this must be correct, or we won't be able to progress the placement.

- It's really important that you complete the Placement form correctly.
- You'll be emailed a **WEX Week information pack** this week– it is essential that you follow the content carefully when filling in the Student initial form.
- Incorrect information may result in your WEX plans being delayed or cancelled.
