The College of Richard Collyer in Horsham, 'Collyer's', is one of the leading sixth form colleges in the country and the no.1 choice for A Levels in West Sussex.

A suitably qualified teacher of History is required to teach in this thriving subject area on our A Level course. Weekly contact time would be 19 hours per week. The appointment is fixed term maternity cover from mid-January for up to one year. The History Department has a team of 4 teachers who work closely to maintain the outstanding level of provision.

Established almost 500 years ago, the College of Richard Collyer is forward thinking in every way. Our mission is simple: to deliver the best possible education to our 2,500+ students aged 16 to 19. Our achievements speak for themselves consistently placing us within the top sixth form colleges nationally. In the summer of 2024, our students achieved an outstanding 59% A\*-B. Results across our other qualification types are equally as strong. Approximately 70% of our offer is A-Levels, with 25% comprising Level 3 vocational and technical qualifications, and 5% comprising our Transition courses for students to bolster their Level 2 qualifications before progressing to Level 3. Alongside our academic, vocational and technical course we have a thriving enrichment programme with over 130 activities available to all students from sports to arts and crafts, and music

A great college deserves a great location: we're close to the centre of the historic market town of Horsham and under an hour from London by train. We are a supportive community rather than just a place to work, and we are deeply committed to the professional development of our staff.
