Dear students and parents

I would like to share with you all a letter that Cllr Sam Raby, Cabinet Member for Communities, Housing and Wellbeing at Horsham District Council, has sent to all local headteachers. We met with Sam and other key stakeholders from the Council, the Police and local secondary schools at Collyer's in October and we are very grateful for everything that is being done to improve safety in the park:

In my Spring term newsletter sent out on the first day of the new term I will be able to provide the latest update on the planned works to the park and feedback on the meeting that is taking place this month between the Council's community safety team, the Neighbourhood Policing team and students from Collyer's. The actions taken since the incidents in the park in October have given significant reassurance to our community.

Kind regards
